

NOTICE TO MARINERS No 48 (T) of 2024
Port of Southampton - Dredging – May 2024

NOTICE IS HEREBY GIVEN that the trailing suction hopper dredger UKD BLUEFIN will be engaged in dredging operations in the main channels, swinging grounds and berths in the Rivers Itchen and Test, Port of Southampton, Southampton Water, as well as the Thorn Channel for a period of up to 19 days from the 1st to the 20th of May 2024

Bed levelling will also be carried out by the bed levelling tender UKD SEALION in berths and channels as necessary in conjunction with the dredging program. This work will be from 1st May to the 28th July 2024

Bed levelling will commence at Esso – Fawley Marine Terminal on 1st May 2024 for a period of approx. 7 days in conjunction with the ABP maintenance works.

The dredgers and tender will display lights and shapes as required by the International Regulations for the Prevention of Collisions at Sea and mariners are requested to reduce speed as safe navigation permits when passing them whilst engaged in underwater activities.

Weather allowing, these operations will be continuous throughout the stated period and mariners should expect to pass UKD BLUEFIN at any time between the upper reaches of Southampton Water and the Nab Disposal Ground.

The dredgers will maintain a listening watch on VHF Channel 12 throughout dredging operations and mariners may also request movement information from Southampton VTS on VHF Channel 12.

*This notice will be self-cancelling on completion of the dredging program.
